

**New Client Information**

Why do you want to participate in our therapeutic program?

---

---

---

---

---

Currently, we provide therapeutic riding and hippotherapy services at our facility. In the future, we hope to be able to provide therapeutic driving and equine facilitated mental health services, but do not at this time. Included in this web page is a description of the services we provide at our facility. What service would you be interested in?

---

---

If you are interested in hippotherapy, please specify which services you think would be most beneficial toward reaching your goals? PT OT Speech

Have you had any previous horse experiences? If yes, please, explain

---

---

---

What other activities or therapies do you participate in?

---

---

What would be your availability? Would you be willing to interrupt a school/work schedule of a time slot became available?

---

---

---

---
